Special points of interest:

- Success at State Fair
- Fire District Raffle Winner
- Special Offering
- Upcoming Event

For the fiscal year ended 2008, this new requirement may mean an additional item has to be budgeted. The more organized your accounting system is, the easier and less costly it will be to process an audit. That's where we come in.

By allowing **OffsiteAccounting** to run your accounting department live from our office, you will perpetually be audit-ready. We can assist you with preparing the

Beginning in 2009, Fire Districts are now mandated by New York State Law to have annual audits.

required RFPs (requests for proposals) from reputable accounting firms with experience in your specific industry. With our state-of-the-art technology and experienced team of professionals, your recordkeeping will remain concise and

transparent. Additionally, having an independent 3rd party process your paperwork provides fraud prevention and peace of mind.

To ensure your compliance, contact our office today at 315.699.2204.

Great Success Continues!

You may recognize our booth from the NYS Fair

Recently, we were awarded a spot at the Center of Progress Building as a visionary company at the New York State Fair. This allowed us to interact with potential clients and promote our messages on a grand scale. We received a lot of positive feedback and were pleased to see the large turnout of fire personnel at our booth.

UPCOMING EVENT

In continued support of fire personnel, we've accepted an invitation to the 2009 Education Conference and Vendor Expo in Ellenville, NY. We look forward to seeing you at the Honor's Haven Resort & Spa November 5th-7th. If you didn't get a chance to meet us at The Fair, please stop by. And if we've already met, we'll be delighted to have the time for continued conversation with you.

SPECIAL OFFER

We are offering a Post-Fair special. Any fire district or department that has a signed **OffsiteAccounting** contract by October 31st will receive their first month of services free.

Call and ask Carey Ann Pitzrick for details.

Congratulations!

The lucky winner of our iPod raffle is Ray S. from the Union Center Fire Company of Endicott, New York.

Monthly Reporting Made Easy

Staying on budget can be a difficult task for any organization. With the help of accurate reporting, you can easily identify deficits and surpluses and plan accordingly. Reports such as *Budget vs. Actual* will show you how much you have spent to date versus your total budget. *Profit and Loss by Class* reports summarizes expenses by unit. This enables tracking of repairs, maintenance and fuel expense by individual vehicles. Also available are detail reports to show you exactly what you've spent by listing individual transactions.

OffsiteAccounting can fulfill your essential reporting needs.
